

AFRICA SADDLE HORSE FUTURITY

NOMINATION OF STALLION

The Stallion,

(hereafter referred to as the Stallion)

Is hereby nominated for the African Saddle Horse Futurity (ASF), on the following terms and conditions.

1. A Nomination fee of R1000 is payable to the ASF simultaneously with the handing in of this nomination.
2. I accept the rules and regulations of the ASF, as made known from time to time, and confirm that on date of signature I noted the content thereof.
3. The nomination of the Stallion means that the ASF may sell one covering of the Stallion, which I hereby donate, at a time and manner as is decided from time to time, with the full proceeds thereof going to the ASF.
4. The foal that is born out of the covering as mentioned in (3) above, will automatically be entered into the annual Weanling Futurity, the first to be hold at Middelburg 2011, as well as any future Performance Futurity to be organized by the ASF.
5. I have the right to enter ONE more foal from the Stallion into the ASF 2014 for a fee of R1000. The name of the mare, which will be covered for this entry, must be supplied to the ASF by me before the end of June 2013, along with the payment of R1000. If I do not want to make use of this right, I may sell it, with the full proceeds thereof going to the ASF.
6. All practical arrangements concerning the covering that I am donating, and which is sold by the ASF, are the responsibility of the Buyer and the Owner of the Stallion. After the sale, the ASF has no further responsibilities in this regard.
7. If the ASF does not succeed in selling the covering of Stallion, I will, due to my nomination, automatically qualify for one (1) entry in the ASF of 2014. All other rules and regulations of the ASF remain applicable.
8. I undertake to supply multiple coverings to the Buyer in the event of the mare not being in foal the first time, until the end of January, or until the mare is in foal, whichever occurs first.
